

National FAA Safety Team presents:

AirVenture 2023 Seaplane Base Forum - The Fun and Challenge of Flying Seaplanes

This presentation will be an overview / review of basic seaplane operation techniques. The presentation is intended to provide an introduction to aspiring seaplane pilots as well as a review for experienced pilots. The presentation will focus on best practices and common errors associated with flight planning, water operations including takeoffs and landings and amphibious aircraft operations.

WINGS/AMT credit available!

To receive WINGS/AMT credit fill out attendance sheet available at the Forum entrance.

Directions: The daily FAA Safety Forum at the EAA AirVenture Seaplane Base is located under the large tent at 96WI or (N43°56.47' W88°29.62'). If you drive, the address is 5202 Streich Lane, Oshkosh, WI 54902. Phone number to the Base is 920-230-7829 (AirVenture week only). Prior to attending a safety seminar, please review and abide by current CDC, State and local health guidelines.
